

University of California
Agriculture and Natural Resources
Integrated Pest Management

June 4 2019

Tyler Jackson

Dear Tyler:

It is my distinct pleasure to offer you the position of Student Assistant with the University of California, Agriculture and Natural Resources, Western Integrated Pest Management Center. The casual restricted term appointment will begin on 6/15/19, and end on 8/31/19 at an hourly compensation of \$17.23. Your appointment is 40% variable.

I look forward to you joining our team at the Western Integrated Pest Management Center. Please sign below to verify your acceptance of this position, and return original to me.

Sincerely,

Matt Baur
Associate Director
Western IPM Center
